EmptyHands KaraTe Kit

Our product list has been designed and put together by our staff who have many years of experience in Martial Arts training. This kit has been specifically chosen to facilitate various aspects of the KaraTe Training experience.

Our suppliers have been vigorously short listed, our relationship with them has been developed over time, and we only select the best quality supplies. These same suppliers also facilitate big brands like Adidas.

Our prices are extremely reasonable in comparison to retail prices. Funding for this initiative has been given by our trustees and all mark-up is used to aid various events within the Dojo, Dojo facilities and various expenses.
